Sarge (F.I.S.T.S. Book 1) By Bey Deckard

Sometimes it's just about being in the right place at the right time... with the right person.

Sarge is the short story of a burgeoning D/s relationship between two space marines stationed on an alien planet where an endless war drags on.

Sergeant Wilkes is a hard man with a long, celebrated military career. Brawny, tattooed, and utterly submissive, Murphy is just an interesting diversion... until Sarge realises he has found something truly rare.
