Sleepless Nights (New York Review Books Classics) By Elizabeth Hardwick

In *Sleepless Nights* a woman looks back on her life—the parade of people, the shifting background of place—and assembles a scrapbook of memories, reflections, portraits, letters, wishes, and dreams. An inspired fusion of fact and invention, this beautifully realized, hard-bitten, lyrical book is not only Elizabeth Hardwick's finest fiction but one of the outstanding contributions to American literature of the last fifty years.
