By Arthur Hailey

The Moneychangers By Arthur Hailey

**Arthur Hailey's #1 *New York Times*–bestselling novel takes readers behind the bronze doors of a major American bank and into the secret world of big money**

Ben Roselli, president of First Mercantile American Bank and grandson of the founder, makes the shocking announcement that he's dying. With no offspring to inherit the company, Roselli knows that executive VPs Roscoe Heyward and Alex Vandervoort are the obvious candidates to succeed him. Heyward, who has been with First Mercantile for two decades, will do whatever it takes to bring in new clients and win the coveted presidency. Vandervoort, a newcomer from the Federal Reserve with a left-wing girlfriend, advocates for a socially responsible plan of growth. And now the discovery of counterfeit cash and credit card fraud threatens the future of the bank itself.

From the day-to-day business dealings to the inner sanctums of the money trading center and the boardroom, Hailey's novel is a riveting tale of ambition, greed, and the US banking system.

### Editorial Review

Review

"

"A suspenseful story replete with the kind of offbeat research that only Hailey seems to be able to exhume. Remember the fascinating minutiae in *Hotel* and *Airport*. He does even better for banking!" —*San Francisco Chronicle*

"Enough about bankers at work to enlighten and entertain, and enough about bankers at play to titillate. . . . Really hard to put down!" —*BusinessWeek*

"Arthur Hailey at his best." —*Publishers Weekly*

About the Author

Arthur Hailey (1920–2004), the author of eleven novels, many of which became #1 *New York Times* bestsellers, was born in Luton, England. He served as a pilot and flight lieutenant in the British Royal Air Force during World War II and immigrated to Canada in 1947. While working for a transportation trade magazine, he scored his first writing success with a television drama, and began to write screenplays full-time for various networks during the golden age of live television. His novel-writing career took off in 1959 with the publication of his first novel, *The Final Diagnosis*, and picked up velocity with *Hotel* and then *Airport*, which spent thirty weeks in the number-one spot on the *New York Times* bestseller list and became a blockbuster film. Hailey's novels, many of which have been made into films, television series, and miniseries, have been translated into forty languages. They are notable for their suspenseful storylines and authentic depictions of various industries and commercial settings, which Hailey aggressively and meticulously researched.
