### Editorial Review

#### Review

"This is a terrific Bible study and character training program for the whole family ... one of the most practical and worthwhile no-frills programs for Bible study or family devotions I have seen."

-- Cathy Duffy, *Christian Home Educators' Curriculum Manual*

If you are looking for a super way to develop important character traits in all family members while memorizing a few scriptures, *Character Building for Families* is the way to go.

-- Shelley Ashcroft, The Homeschool Exchange

#### From the Author

I originally wrote *Character Building for Families* for our own family, because I wasn't sure the hit-and-miss character training we had been doing with our children was enough. As I sought God's guidance for each lesson, I was thrilled to have Him bring topics, Bible passages, and insights to mind that were just what we needed.

The manual is presented in a flexible, easy-to-follow outline format, because this is what we found worked best in teaching our own family. Because *Character Building for Families* was written by a real-life, busy, homeschool mom for her real-life children, I think you will find that it is practical and genuine in its approach. My hope is that you will be blessed as you and your family journey through it together.
