Cress By Marissa Meyer

The #1 *New York Times* Bestselling Series!

Cinder and Captain Thorne are fugitives on the run, with Scarlet and Wolf in tow. Together they're plotting to overthrow Queen Levana and her army.

Their best hope lies with Cress, who has been trapped on a satellite since childhood with only her netscreens as company. All that screen time has made Cress an excellent hacker; unfortunately, she's just received orders from Levana to track down Cinder and her handsome accomplice.

When a daring rescue goes awry, the group is separated. Cress finally has her freedom, but it comes at a high price. Meanwhile, Queen Levana will let nothing stop her marriage to Emperor Kai. Cress, Scarlet, and Cinder may not have signed up to save the world, but they may be the only ones who can.

Editorial Review

From School Library Journal

Gr 9 Up—In this third series installment (after *Cinder* and *Scarlet*), *Scarlet* and *Wolf* join *Captain Thorne* in *Cinder*'s small group of allies determined to fight against *Queen Levana*. Earth is still reeling from the lunar queen's devastating attacks. *Emperor Kai* plans to wed *Levana* in an attempt to avoid war and gain access to an antidote for the deadly plague that has ravaged Earth for the last decade. *Cinder* enlists the help of *Cress*, the programmer/hacker who has been kept in a satellite for years to spy on Earth leaders for *Levana*, but who has also secretly been working against her. The attempt to rescue *Cress* ends with the group scattered and in peril, with precious little time before the royal wedding that would cement *Queen Levana*'s hold on Earth. *Rebecca Soler* returns with another skilled performance, navigating multiple story lines in the fast-paced adventure while expertly distinguishing between characters with changes in pitch and accent. For *Cress*, the teen who has spent the majority of her life in seclusion, *Soler* injects a naïve quality, effectively conveying her awe at new sights and experiences once she is out of her satellite. Her confidence grows throughout the narrative, and that is also reflected in her voice. *Cinder* continues to be the most compelling of the characters, and listeners will anxiously await the conclusion of this engaging series.—*Amanda Raklovits*, Champaign Public Library, IL

From [Booklist](#)

As the *Lunar Chronicles* continue, we meet *Cress*, with *Rapunzel*-like hair, who is trapped in an orbiting satellite. For seven long years, she has provided intelligence and security for the *Lunar Queen, Lavana*. Her latest assignment is to search for *Cinder*, the escaped cyborg mechanic who crashed *Emperor Kai*'s ball and won his heart in spite of his announced betrothal to *Lavana*. *Emperor Kai* hopes his ultimate sacrifice—the marriage—will ensure peace between Earth and *Luna*. In this third book in *Meyer*'s fractured fairy tale series, *Cinder*, *Scarlet*, *Wolf*, and *Cress* team up to stop the emperor's wedding, preventing *Lavana* from becoming Earth's queen and thus destroying it. Once again, *Meyer* offers up a science fiction fantasy page-turner that salutes women's intelligence and empowerment, with a subtle warning of the perils of misusing that power. Old and new romances, unfinished story lines, and the prognostication of wartime horrors all pave the way for *Meyer*'s much anticipated next installment, *Winter*, expected in 2015. HIGH-DEMAND BACKSTORY: The previous titles in the *Lunar Chronicles* series were both *New York Times* best-sellers; with a major marketing campaign pushing *Cress*, expect similar results here. Grades 7-10. --*Frances Bradburn*

Review

"*Meyer* continues to show off her storytelling prowess, keeping readers engaged in a wide cast of characters while unfolding a layered plot that involves warring governments and a fast-spreading plague. The momentum *Meyer* built in the first two books continues to accelerate as the stakes grow higher for *Cinder* and her friends. The next installment cannot come fast enough." *Publishers Weekly*, starred review

"Once again, *Meyer* offers up a science fiction fantasy page-turner that salutes women's intelligence and empowerment. . . . Old and new romances, unfinished story lines, and the prognostication of wartime horrors all pave the way for *Meyer*'s much anticipated next installment, *Winter*, expected in 2015." *Booklist*

Users Review

From reader reviews:

John Tibbs:

A lot of people always spent their free time to vacation or maybe go to the outside with them friends and family or their friend. Do you know? Many a lot of people spent they will free time just watching TV, or perhaps playing video games all day long. If you need to try to find a new activity that is look different you can read a new book. It is really fun in your case. If you enjoy the book that you read you can spent the whole day to reading a reserve. The book Cress it is extremely good to read. There are a lot of individuals who recommended this book. These were enjoying reading this book. In the event you did not have enough space to bring this book you can buy the particular e-book. You can m0ore very easily to read this book from your smart phone. The price is not to cover but this book features high quality.

Bernard Woodley:

People live in this new day of lifestyle always try and and must have the extra time or they will get great deal of stress from both everyday life and work. So , once we ask do people have spare time, we will say absolutely sure. People is human not a robot. Then we consult again, what kind of activity do you have when the spare time coming to you of course your answer will certainly unlimited right. Then ever try this one, reading books. It can be your alternative throughout spending your spare time, the book you have read is definitely Cress.

Herman Pendergrass:

Don't be worry in case you are afraid that this book will probably filled the space in your house, you might have it in e-book approach, more simple and reachable. This kind of Cress can give you a lot of good friends because by you looking at this one book you have point that they don't and make an individual more like an interesting person. This specific book can be one of a step for you to get success. This publication offer you information that might be your friend doesn't recognize, by knowing more than different make you to be great men and women. So , why hesitate? We should have Cress.

Jane Pelley:

A lot of book has printed but it is different. You can get it by world wide web on social media. You can choose the most effective book for you, science, comedian, novel, or whatever simply by searching from it. It is identified as of book Cress. You'll be able to your knowledge by it. Without causing the printed book, it could add your knowledge and make you happier to read. It is most significant that, you must aware about publication. It can bring you from one destination to other place.
