Elie Wiesel: Holocaust Survivor and Messenger for Humanity (Crabtree Groundbreaker Biographies) By Diane Dakers

Eliezer (Elie) Wiesel has dedicated his life to the pursuit of peaceful, humanitarian goals as a writer and activist. He is a Holocaust survivor, Nobel Laureate and the author of 57 books, including the Night trilogy, based on his experiences as a prisoner in the Auschwitz death camp. In 1986 he was awarded the Nobel Peace Prize and called, a messenger to mankind.

Editorial Review

From School Library Journal

Gr 5-9-This biography chronicles Wiesel's life from a happy boyhood in Romania, through an unflinching description of his experience in concentration camps (especially his father's death at the hands of an SS officer), to the many accolades for his written works and humanitarian projects, including a Nobel Peace Prize. Sidebars offer primary-source quotations and factoids of interest; individual pages and spreads interspersed throughout explain larger-concept issues, such as the yellow-star rule or the many resistance organizations, adding historical context. Controversial topics, such as Wiesel questioning his faith or the role of Holocaust deniers, get a mention, as do Wiesel's ties to modern figures like Oprah Winfrey, Barack Obama, and Bernie Madoff. Captioned black-and-white photos, many of which depict life in the prison camps, appear on nearly every page and emphasize the bleakness of his adolescence, as do the grayscale graphics. End materials include a chronology of Wiesel's life through 2010, a detailed glossary, a multimedia list of further resources, and an index. This informative, engaging read is an excellent resource for students studying Wiesel's works, authors, or World War II in general.-Rebecca Dash Donsky, New York Public Libraryα(c) Copyright 2013.
