Exercise Every Day: 32 Tactics for Building the Exercise Habit By S.J. Scott

LEARN:: How to Build a Powerful Daily Workout Routine

Wish you had time to exercise? Turned off by the "meat market" scene at most gyms? Or are you simply unsure about how to get started with a daily workout?

The good news is that you don't have to follow extreme exercise programs like Insanity and P90X, or spend every free moment in the gym, to experience the health benefits exercise has to offer. All you need to do is make a simple goal to "Exercise Every Day" in a way that fits your already busy schedule.

The Truth?? You Struggle with Exercising Because of Specific Workout Obstacles

Here's the thing...most people have both the desire and capacity to exercise, but they never get started because they allow obstacles to get in their way.

For instance, you might feel exhausted when your alarm clock goes off two hours earlier than usual in the morning, so you can't bring yourself to make it to "boot camp" class. Or perhaps you don't have space in your house for lots of weights and equipment. These are real-life obstacles, and it's likely that issues such as these have prevented you from engaging in regular exercise.

In the book "Exercise Every Day", you will have the opportunity to identify those obstacles that seem to continually get in your way. Then you will learn how to review each obstacle and identify the specific solutions to experience a personal breakthrough.
