Hey there! My name is Aladdin Happy, and I'm the leader of GrowthHackingIdea.com, a community of over 26,000 growth hackers. This book contains something crazy. It's exactly the same framework I use to create growth hacking plans for startups who pay \$10,000 for it. The book contains detailed instructions, templates and a growth hacking mindset training for your entire company. This book also includes the TOP 300 growth hacks from my personal collection. I gathered them from all over the internet over 300 days. Why the hell am I sharing all this? For 3 reasons: 1. I have no more time to create growth hacking plans for startups, as I'm totally involved in my own company. 2. I love to do crazy things. This is how the GrowthHackingIdea community started out. I just decided to share my personal collection of best growth hacking ideas with other entrepreneurs. 3. I love to help. I know what it's like to be a CEO of a startup that never takes off, no matter what you do or how hard you try. It's a terrible feeling. This book is my way of giving back to folks like me from the not-so-distant past.
