Editorial Review

From the Back Cover

The heavens declare the glory of God—but in doing so they also point us to the kindness of God. The vastness of His creation points us to the heights of His glory—and at the same time stuns us with the depths of His mercy. The beautiful truth is this: He who calls out the stars, and names them one by one, knows each of us by name also. It is grace of astronomic proportions....

—Louie Giglio and Matt Redman, *Indescribable*

The eloquent weaving of scientific fact, devotional insight, and magnificent photographs in *Indescribable* will awaken your mind and spirit like never before. Come discover both the intimacy and the majesty of the God who created you. Come and worship.
