Line and Orbit By Lisa Soem, Sunny Moraine

What he's been taught to fear could be his destiny...and his only hope.

Adam Yuga, a rising young star in the imperialist Terran Protectorate, is on the verge of a massive promotion...until a routine physical exam reveals something less than perfection. Genetic flaws are taboo, and Adam soon discovers there's a thin line between rising star and starving outcast.

Stripped of wealth and position, stricken with a mysterious, worsening illness, Adam resorts to stealing credits to survive. Moments from capture by the Protectorate, help arrives in the form of Lochlan, a brash, cocksure Bideshi fighter.

Now the Bideshi, a people long shunned by the Protectorate, are the only ones who will offer him shelter. As Adam learns the truth about the mysterious, nomadic people he was taught to fear, Lochlan offers him not just shelter—but a temptation Adam can only resist for so long.

Struggling to adapt to his new life, Adam discovers his illness hides a terrible secret, one that the Protectorate will stop at nothing to conceal. Time is growing short, and he must find the strength to close a centuries-old rift, accept a new identity—and hold on to a love that could cost him everything.

Warning: This title contains brief scenes of explicit violence and mild but potentially triggering homophobia.

Editorial Review

Users Review

From reader reviews:

Kathleen Duff:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading routine give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book which improve your knowledge and information. The data you get based on what kind of guide you read, if you want get more knowledge just go with schooling books but if you want truly feel happy read one with theme for entertaining like comic or novel. The Line and Orbit is kind of publication which is giving the reader capricious experience.

William Keller:

The actual book Line and Orbit will bring you to definitely the new experience of reading the book. The author style to clarify the idea is very unique. If you try to find new book to learn, this book very acceptable to you. The book Line and Orbit is much recommended to you to see. You can also get the e-book in the official web site, so you can quicker to read the book.

Lorenza Jones:

Do you have something that you prefer such as book? The guide lovers usually prefer to pick book like comic, brief story and the biggest you are novel. Now, why not attempting Line and Orbit that give your enjoyment preference will be satisfied by means of reading this book. Reading routine all over the world can be said as the means for people to know world better then how they react to the world. It can't be explained constantly that reading routine only for the geeky individual but for all of you who wants to end up being success person. So , for every you who want to start reading as your good habit, it is possible to pick Line and Orbit become your own starter.

Andrew Gillon:

Guide is one of source of understanding. We can add our know-how from it. Not only for students but in addition native or citizen need book to know the upgrade information of year in order to year. As we know those books have many advantages. Beside most of us add our knowledge, may also bring us to around the world. By the book Line and Orbit we can consider more advantage. Don't someone to be creative people? Being creative person must love to read a book. Just simply choose the best book that appropriate with your aim. Don't always be doubt to change your life with that book Line and Orbit. You can more appealing than now.
