Moonsinger's Quest (Moonsinger combo volumes Book 2) By Andre Norton

Two outstanding and moving novels concluding Andre Norton's legendary Moonsinger series together in one volume.

In *Flight to Yiktor*, Farree is a hunchback orphan in the slum of a tough, lawless world on the edge of the known galaxy. His only friend? A war-beast rescued from starvation and the fighting pits with whom he has a telepathic connection.

In Dare to Go A-Hunting, Farree has discovered a portion of his true heritage as one of the ancient Little People, the Faery Folk, of legend—but so far as he knows, he is the only one of his kind to survive. Then his compatriots, star-traveler Krip Vorlund and psychic sorceress Lady Maelen, the Moonsinger, find a clue on a distant frontier outpost world which points to the location of Farree's birthplace. But others are looking for that place, as well. And those others do not mean the inhabitants well. Now Farree must find and defend a family and people he does not remember, but who hold the key to his own strange destiny.

This follow-up volume to *Moonsinger* completes Andre Norton's legendary Moonsinger saga.

At the publisher's request, this title is sold without DRM (Digital Rights Management).

Called "a superb talent" by *The New York Times*, **Andre Norton** was a legend in science fiction, and one of our greatest storytellers. She wrote science fiction novels of very high quality for nearly five decades, beginning with the now-classic novel *Star Man's Son* in 1952. Many of today's top writers, including C.J. Cherryh and Joan D. Vinge, have cited her as a primary influence on their own work. She was Guest of Honor at the 1989 World Science Fiction Convention, and received the Grand Master award from the Science Fiction Writers of America and the Lifetime Achievement Award of the World Fantasy Convention. Astoundingly prolific, with over thirty books in her celebrated "Witch World" series alone, she introduced three generations of SF readers to SF and fantasy, both through her critically acclaimed YA novels and her adult works, and remains today as one of the most popular authors in both fields.
