The Auction By Eve Vaughn

The Playboy...

In a society where the divide between the haves and the have nots is distinctly drawn, Foster Graham enjoys the privileges of the ruling class to the fullest. With looks, wealth and a place in society that gives him access to anything he wants, the world is his playground. But behind his easy smile and suave demeanor lurks a demon he's managed to suppress. When a friend goes missing, he finds himself immersed in a world that forces him to unleash the darkness within.

The Captive...

Far removed from the glitzy lifestyle of the upper class, Tori Preston must fight daily for her survival. In order to support her family she is forced to participate in a barbaric ritual called The Run, for a second time. But she soon learns there are far worse things that could happen when she finds herself captured and sold off into a life of pure hell.

The Auction...

An underground organization formed by a group of depraved sadists once thought to be a ghost tale used to scare little children into behaving, no one believes in its actual existence. Tori, however, learns the hard way that this 'bogey man' is very much real.

Without hope, Tori fears she'll never see her loved ones again, until she comes face to face with the only man who ever managed to touch her heart. Seeing the woman who has haunted his dreams since their parting, Foster is determined to save Tori and never let her go again. But they just might find that someone has other plans for them.

Editorial Review

About the Author

Eve Vaughn has enjoyed creating characters and stories from an early age. As a child she was always getting into mischief, so when she lost her television privileges (which was often), writing was her outlet. Her stories have gotten quite a bit spicier since then! When she's not writing or spending time with her family, Eve is reading, baking, traveling or kicking butt in 80's trivia. She loves hearing from her readers. Eve can be contacted through her website at www.evevaughn.com.
