

The Money GPS: Guiding You Through An Uncertain Economy

By David Quintieri

The Money GPS: Guiding You Through An Uncertain Economy By David Quintieri

With a solid foundation and minimal maintenance, anyone can understand exactly what's truly going on in the world. There is a definite game plan where you stick to the principles, apply the formula, and achieve wealth, regardless of the economic conditions.

David Quintieri's book, The Money GPS, takes the complexity of the financial system and transforms it into simplicity. The frequent use of diagrams and charts allows the reader to learn visually, making a complex subject easy for anyone to learn.

The clock is ticking in this world of paper money. Unpayable debts are piling up all over the world and are attempted to be resolved by adding even more debt. This system will COLLAPSE, creating the greatest wealth transfer in the history of the world: from those who hold paper, to those holding real assets.

The Money GPS empowers and prepares the reader in these uncertain times.

Editorial Review

About the Author

David Quintieri is best known for his book, The Money GPS. He has been interviewed on various programs such as USA Watchdog, TruNews, GoldMoney, Financial Survival Network, SGT Report, Finance and Liberty, Prepper Recon, and Unconventional Finance. Former ABC and CNN correspondent, Greg Hunter, referred to The Money GPS as "How to survive this historical financial calamity for dummies." The government structure is setup to enable corporations to lobby (bribe) our "representatives" and pass laws that are often criminal. As a result, we have a CATASTROPHE on our hands. Derivatives exceeded \$1.5 QUADRILLION in total value which far surpassed the GDP for the entire world--25 times over! While interviewed on SGT Report, David Quintieri stated "Far greater than war, far greater than hunger and famine, the derivatives could collapse our entire system." David Quintieri brings information of this magnitude to his readers and teaches them how to prepare in times of uncertainty. Utilizing his ability to deconstruct any complex system and turn it into a simple and readable format, his work becomes an important tool for a wide audience.

Users Review

From reader reviews:

Deborah Green:

Have you spare time for the day? What do you do when you have considerably more or little spare time? That's why, you can choose the suitable activity for spend your time.
