At the Duke's Wedding: A romance anthology By Caroline Linden, Katharine Ashe, Miranda Neville, Maya Rodale

As society gathers at Kingstag Castle for the wedding of the year, matrimony is in the air. But who will be the bride? With swoonworthy lords, witty ladies, eccentric relatives, and a gaggle of free-spirited girls—not to mention the world's best high perch phaeton—it's a recipe for mayhem ... and romance. Award winning, best-selling authors Katharine Ashe, Caroline Linden, Miranda Neville and Maya Rodale serve up delectable Regency fun and a sexy contemporary twist in this anthology of original novellas. Four authors, four couples, four deliciously romantic surprises. When it comes to love, anything can happen... That Rogue Jack by Maya Rodale Jack, Lord Willoughby is charming, handsome, and utterly irresponsible. In other words, he's the worst person to entrust with the ducal wedding ring. Miss Henrietta Black is prim, proper and the ideal person to help find the priceless family heirloom that's gone missing ... as long as she isn't distracted by Jack's gorgeous smile and tantalizing attempts at seduction. They must find the ring before the wedding ... if they aren't too busy falling in love. PS. I Love You by Miranda Neville Handsome, inarticulate Frank Newnham asks for his cousin Christian's help when he woos Rosanne Lacy by letter. Rosanne falls for Frank's delicious prose, but when they meet in person at the duke's wedding party, Rosanne can't understand why Frank seems so ... dull. And why is she drawn to the dark brooding Earl of Bruton, with his scarred face and air of melancholy? When I Met My Duchess by Caroline Linden Gareth Cavendish, Duke of Wessex, believes he's chosen the perfect bride ... until he meets her sister and lightning strikes—literally! Now he's the only member of society dreading the wedding of the season. Or is he? Cleo Barrows can't fathom why her knees weaken every time the handsome duke approaches, or why her sister isn't in the clouds at the prospect of marrying him. But the more often wedding plans throw Cleo and Gareth intimately together, the faster time is running out to turn the celebration of the summer into the scandal of the year. How Angela Got Her Rogue Back by Katharine Ashe When gorgeous Lord Trenton Ascot beckons to history grad student Angela Cowdrey from the pages of a comic book, she thinks she's going crazy. When Trent rescues her from a lake and she claims she's from the future, he knows he is. But a blackmailer is threatening Trent's family and Angela is determined to help. While unraveling the mystery of her time-travel trip to the duke's wedding, this modern girl and Regency lord just might discover a passion that defies centuries.

Editorial Review

About the Author

Caroline Linden was born a reader, not a writer. She earned a math degree from Harvard University and wrote computer software before turning to writing fiction. Twelve years, sixteen books, three Red Sox championships, and one dog later, she has never been happier with her decision. Her books have won the NEC Reader's Choice Beanpot Award, the Daphne du Maurier Award, the NJRW Golden Leaf Award, and RWA's RITA(r) Award. Since she never won any prizes in math, she takes this as a sign that her decision was also a smart one.

Katharine Ashe is the award-winning author of historical romances that reviewers call intensely lush and sensationally intelligent, including *How to Be a Proper Lady*, an Amazon Editors Choice for the 10 Best Books of the Year in Romance, and *My Lady, My Lord* and *How to Marry a Highlander*, 2015 and 2014 finalists for the prestigious RITA(r) Award of the Romance Writers of America. Her books are recommended by *Publishers Weekly*, *Women's World Magazine*, *Booklist*, *Library Journal*, *Kirkus Reviews*, *Barnes & Noble*, and many others, and translated into languages across the world.

Katharine lives in the wonderfully warm Southeast with her beloved husband, son, dog, and a garden she likes to call romantic rather than unkempt. A professor of European History, she writes fiction because she thinks modern readers deserve grand adventures and breathtaking sensuality too. For more about Katharine's books, please visit her website or write to her at PO Box 51702, Durham, NC 27717.

Miranda Neville grew up in England before moving to New York City to work in Sotheby's rare books department. After many years as a journalist and editor, she decided writing fiction was more fun. She lives in Vermont.
