Editorial Review

About the Author

Emilio Raggi lives in Buenos Aires, Argentina, and works in one of the biggest companies in the country. He was very much a Windows fanboy, until one day, he had to manage a Ubuntu desktop deployment. He was highly qualified as a Microsoft implementer, holding certificates as an MCP and MCSE, and worked as a consultant for a Microsoft partner. Still, Ubuntu had its charms and won him over. He is also an avid student of philosophy.
