Editorial Review

Review

"As a novice researcher and doctoral student myself, I found this text basic, resourceful, and encouraging. I now feel that my research journey has been segmented into individual steps that are both manageable and practical." (Jamie Reynolds 2009-04-06)

"Interesting, well written book, numerous examples, variety of exercises." (Anne Chartier 2011-02-25)

"Silverman and Marvasti provide an exceptional guide for conducting qualitative research. Silverman and Marvasti (2008) include just about everything there is to know about the graduate student experience with a focus on qualitative research, dissertations, and even the qualifying exam and publishing forum. From soup to nuts, the authors have created a comprehensive guide that should be a required text in all graduate programs especially those leading to a Ph.D." (Diana Riviera 2009-11-03)
