Do you put off jobs until another day? Have you got work to do, but just can't get round to doing it? Why do you lack motivation? Adam Embry gets to the heart of this issue: it's not to do with a lack of willpower, but because we are controlled by sin and so fail to be the wise and diligent workers God created us to be. ### Editorial Review

#### Review

I wholeheartedly recommend this series of booklets by Day One! \*\*They explain the very real problems that people face in life from a solidly biblical perspective. \*\*They describe these problems experientially by using true stories and illustrations. \*\*They present the biblical solution to these problems, making it clear how God wants to solve them by changing the hearts of the people involved. These booklets accomplish this through Word-based, Gospel-driven applications to life and by encouraging people to make the changes that will enable them to walk in faith and obedience to Christ. \*\*I will certainly use these booklets as homework for my counselees and will recommend them to my students. --Wayne Mack, Professor of Biblical Counseling at Grace School of Ministry in Pretoria and Cape Town, South Africa, Member of the Academy in NANC, author of many books on Biblical Counseling and Christian life issues
