Life without pants will teach you how to get acquainted with girls but also how to flirt and seduce them. You will learn how to get any girl's phone number and ask her on a date, how to make her fall in love with you and get her into bed. After reading this book, your views on life will change and you will understand that you have the potential to attract any girl, ANYWHERE. The book is divided into two parts. The first part explains Lesley's theory. It also gives you tips and exercises to practice your new social skills with girls.
