#### *Hold Your Horses*

Charlotte thought she was doing the right thing when she decided to go away to college. When graduation comes and she needs to decide if it's time to go back home and settle down, she worries that she's not ready yet. Shane has waited four long years for Charlotte, after agreeing to a long-distance relationship because it was the only way to keep her in his life. He can hardly wait for her to come home so they can finally start their life together.
