About the Author

Dr. Thor Templar is the Grand Master of the International Guild of Occult Sciences - the only authentic Occult Guild in operation today. He holds a Doctorate in the Occult Sciences and also holds the only Doctorate degree ever awarded in Subtle Energy Technologies. For over 40 years he has dedicated his life to serious occult research, having chosen to by-pass silly common occultism to research proven methods offered in the Occult Sciences. Dr. Templar has studied dozens of secret and public occult systems, taking the most effective techniques and condensing them into effective, easy and fun methods for use. He has had contact with Masters from all traditions on the planet and off, and is always seeking empowerments which lead to ultimate consciousness or ultimate Gnosis. As the author of three courses and more than eight books, Dr. Templar has been writing and teaching proven occultism for over 40 years. As Grand Master of the IGOS, he has access to secret knowledge that few others have ever seen.
