**What the Elite Have Done to America and How To Fix It** By Robert Gaylon Ross, Sr.

The Elite Are Doing Terrible Things to Us. Never before in the history of America have citizens become so alarmed over the direction our nation is going. Many have awakened to a new reality that an elite clique of super-rich has taken control of what once was a constitutional republic. This criminal elite has rigged our election systems, jettisoned many of the protections afforded the citizenry in our Bill of Rights, and become the virtual dictators of our once, great country. Banding together in an illegal financial cartel and political combination, the Elite have conspired to deconstruct the United States, terminate our national independence and sovereignty, and integrate our land into their infamously planned New World Order. Through financial machinations, these international outlaws are systematically devaluing the dollar currency; they have become the Money Masters of Wall Street; and our Congress and legislatures do their bidding. Through propaganda and financial fraud, the elite have bankrupted our treasury, taken trillions of dollars for themselves, increased our taxes, and run public debt to unbearable levels. Still, they want more. They ultimately seek the death of America, intending to bury the wasted corpse once and for all. Robert Gaylon Ross, Sr. masterfully explains what terrible things the elite have done to us. But more important, he provides remedies and answers. Yes, we can make America a great nation once again, a prosperous and shining city on a hill and a beacon of light for a desperate world. This book points out the way.
